Notice to Teams:

- 1) All Rosters must be in by September 30, 2011
- 2) Roster additions/changes may be done up to January 31, 2012.
- 3) **No teams will receive any wins after September 30, 2011 until their roster has been handed in.**
- 4) All players must have signed the roster to be eligible to play during regular season and playoffs.
- 5) A spare list will be provided on the website.
- 6) Once a spare has played for your team in 6 matches, they must be picked up by your team and added to your roster list (and they will be removed from the Spares List)
- 7) There is a maximum of 12 players per team.
- 8) Any player on a 2011-2012 High School, College or University volleyball team cannot, for any reason or at any time, play in this league. Any team in violation of this rule will be immediately removed from the league.
- 9) If you default 4 games (or more) this season, you will not be able to join the league next season. This is due to rising gym costs and several teams not being notified of the default prior to the showing up. Please be courteous to the other teams.

I have read and agree to the above rules and guidelines and understand that my contact information will be posted on the Medicine Hat Volleyball League website.
